

St Helens' Church are raising funds to renovate the old church office to create a space for children.

We would like to encourage families, school groups and children's clubs to use the churchyard for pond dipping, bug hunting and wildlife exploration.

The shed could be a great place to keep equipment, record discoveries and find out more about the wildlife in the churchyard.

But it needs a new roof!

Can you help?

There will be a retiring collection after the concert or please use this QR code.
